DEPARTMENT OF THE AIR FORCE

HEADQUARTERS AIR FORCE MATERIEL COMMAND

WRIGHT-PATTERSON AIR FORCE BASE, OHIO

MEMORANDUM FOR SEE DISTRIBUTION

DEC 23 1994

FROM: HQ AFMC/FMR
4375 Chidlaw Road, Suite 6
Wright-Patterson AFB OH 45433-5006

SUBJECT: Transfer of Repairable Support Division (RSD) Loan Property from One Contract to Another Contract

1. RSD Loan Property cannot be transferred from an existing contract to a new or existing contract without formal notification of the Loan Control Officer at the Prime/Managing Air Logistics Center and formal approval from HQ AFMC/FMR.

a. Program office leads, on any contract, must ensure that these items are handled in the above manner. Full review of government furnished material must be done to identify any RSD Loan Property and to generate any action that is needed.

b. RSD Loan Property is identified as a Budget Code 8, ERRC XD1 (C) or XD2 (T) with certain exclusions that have been added to this account. If determination of the status of an asset cannot be made, the organization should contact the Item Manager of that asset for a determination.

2. Due to tracking disconnects, this procedure must be done to determine who has this property and where the property is located. Failure to do this will increase the possibility of financial loss to the RSD Stock Fund and could be a direct driver for increased surcharges and decreased stock on hand in the future.

3. This is a HQ AFMC/FMR, LGI and PKM coordinated letter. Our point of contact is Stephen Belechak, HQ AFMC/FMRB, DSN 787-5491.
