SUBJECT: Government Visits to Contractor's Facilities

TO: COMMANDING OFFICER
Warner Robbins Air Logistics Center/PKP
ATTN: PKPB
Robbins Air Force Base, GA 31098-5320

1. Reference: FAR 42.402 Visits to Contractors Facilities.
2. The reference above provides direction for the arrangement of government visits to contractor's facilities by the cognizant CAO, in this case DPRO Loral. Government personnel are required to notify the CAO of the purpose of their visit so that the CAO can make necessary arrangements. Such notification is for the purpose of eliminating duplicate reviews, requests, investigations, and audits relating to the contract administration functions delegated to the CAO as listed in FAR Subpart 42.3.
3. In accordance with the above, any government personnel desiring to visit Loral Defense Systems-Akron, Loral Systems Company or Aircraft Braking Systems must first notify DPRO Loral (Security Representative), 1210 Massillon Road, Akron, Ohio 44315 by either letter, fax or local security form at least five days prior to visit to enable review of the request.
4. The request should contain the following information:
 - a.) Visitor's name, official position, security clearance and citizenship,
 - b.) Date, duration and purpose of visit,
 - c.) Name and address of contractor personnel to be contacted.

Atch 95-8D (FAR 42) Post to FAR 42.402 by circling the reference and noting in the margin: "70-4I, atch 95-8D". Then file this atch behind the sups to FAR 42
